TECHNOLOGY

The America space agency's experiment of the survival condition in the spaceship told the truth that the far infrared between 5.6 and 15 micron in the sunlight is the essential factor of survival. SO this frequency band of light is named as "The Light of Life". Nowadays,this type of magical light wave has broken through limitation of medical science,we are a producer of far infrared sauna rooms,they use this light of life to show three effects of far infrared's core technology:

JOY IS NATURE HUMANITY. WHEN U SIT
IN THE STEAMY SAUNA ROOM, JOY WILL
COME INSIDE YOUR HEART ENDLESS
SAUNA ROOM

INFRARED HEATING BOARD

The America space agency's experiment of the survival condition in the spaceship told the truth that the far infrared between 5.6 and 15 micron in the sunlight is the essential factor of survival. SO this frequency band of light is named as " The Light of Life".Nowadays,this type of magical light wave has broken through limitation of medical science,we are a producer of far infrared sauna rooms,they use this light of life to show three effects of far infrared's core technology;

TEMPERED GLASS HEATING BOARD

Osmotic effectrefill the energy of the cell ,the infrared can pierce human skin into 4-5mm, directly affect indepth of skin refill cell's energy,Amend physiological function of human boady deepdown.Resonance effect, remove acidic material inside the body,The normal temperature of human body it is 36.5, it regard as the infrared wave length 9.36μm. when infrared touch human body.

CERAMINC ELEMENT

Infrared wave could resonance with cell at the same time the oxygen and mobilization inside the blood will increase lead enhance metabolism so that improve human body microcirculation realize multiple body health. Hyperthermia,remove toxin and fat,Infrared could heat human body, consume extra heat and reach the effective sweat, activate hydrone lead toxin and excess fat as the sweat to rule out.

Yellow cedar wood

Canada yellow cedar wood has the characters of Corrosion resistant, uniform color & smooth appearance. The natural smell can absorb through olfactory organs & skin, and reach nerve system & blood circulation, which help people relax. It is a very precious healthy wood.

High corrosion red cedar wood

Canada red cedar wood with the characters of soft wood, natural high corrosion & excellent stability & long life, it can be used as decoration of external wall of high-end villa. | choose A level red cedar wood without wood knots to make elegant sauna rooms.

High end music instruments Africa white wood

Africa white wood also named Ayous wood .Place of origin is Cameroon, Republic of Gabon and other African country. This wood with the characters of uniform color, smooth plane of section, mostly used as music instruments like piano & white wood furniture . white wood is from Ayous best original country Cameroon. With its good characters, it is the best material for sauna rooms.

Perfect Sauna room craft

Covers an area of 30,000 square meters,choose world top natural wood , adopts the international advanced production equipment, grasp the core of the sauna manufacturing process, control the products strictly . We pursue perfect on every step from material to finished products , and to ensure every sauna room with perfect quality.

Cultured Stone

1: Main feature: durable, endure dirty, unlimited times to clean.

2: Cultured stone which is from mine of natural has become a structural material through Machining. Cultured stone has varied kinds of features: flintness, bright color, plentiful linellae ...

3: What a attractive feature is that keep the original nature. The cultured idea is in according With the concept that people advocate and return to nature. People use them as decorated material Which is called "cultured stone" .

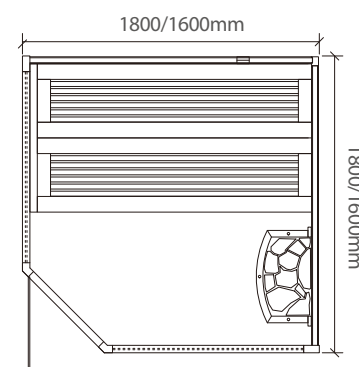

4: Cultured stone is not endowed with specific culture concept. As a matter of fact, the mentality Which people return to nature in the decorated structure give expression to a life culture .

The reasons to be perfect sauna rooms

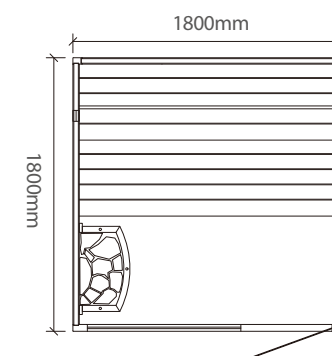

Welcome to ultimate sauna world
